Hour of Code Week
December 6-10

The Hour of Code is a global movement introducing tens of millions of students worldwide to computer science and coding, inspiring them to learn and feel empowered. All Oak Hill students will participate in at least one Hour of Code activity during the Computer Science Education week December 6 to 10. Help us celebrate the week by participating in the Spirit Week Dress Up Days!

Monday, December 6
Algorithm and Code Day

Wear a shirt with your favorite Code character! Angry Birds, Minecraft, Elsa or Ana, Star Wars, etc. Check out the code.org website for additional character ideas.

Tuesday, December 7
Give Credit to your Sources!

NEON day! Wear something BRIGHT!
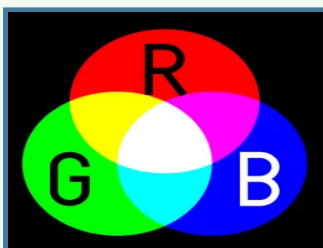

Wednesday, December 8
(404) Error Day

Wear a mismatched outfit!

Thursday, December 9
Cybersecurity Day

Wear Camouflage to stay hidden and protected.

Friday, December 10
Binary and RGB Day

Wear a shirt with zeros and ones or something Red, Blue, or Green which are the basic colors used in a computer monitor.
