

Turn on Chrome Sync

Make sure you are logged into your fcpsschools.net Google account.

If you are logged into any other accounts LOG OUT of them first!

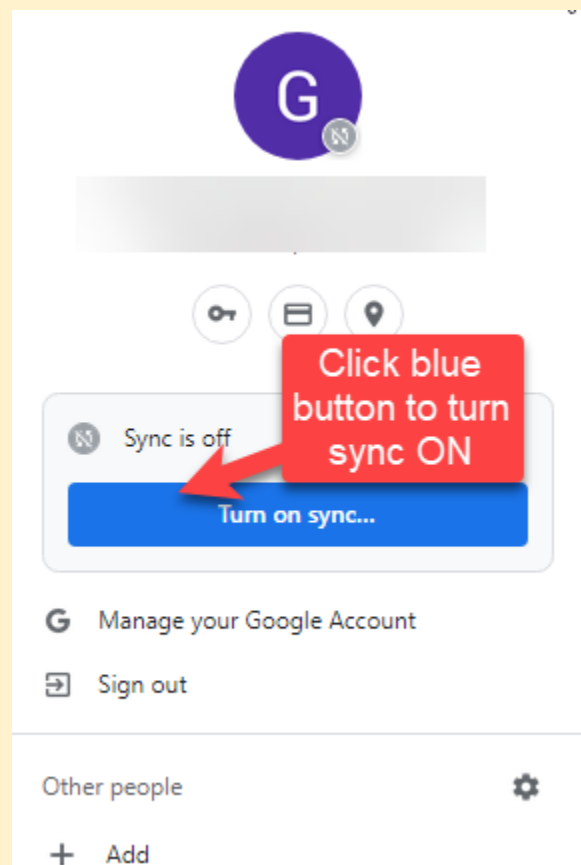

1.

Click on your Profile picture in Chrome. It is the little one next to the three-dot menu.

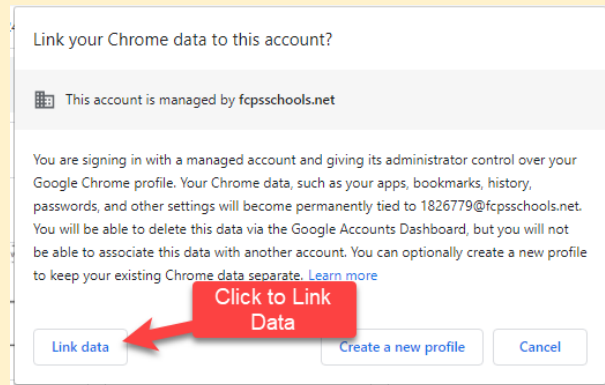

2.

Click the blue button to Turn on sync...

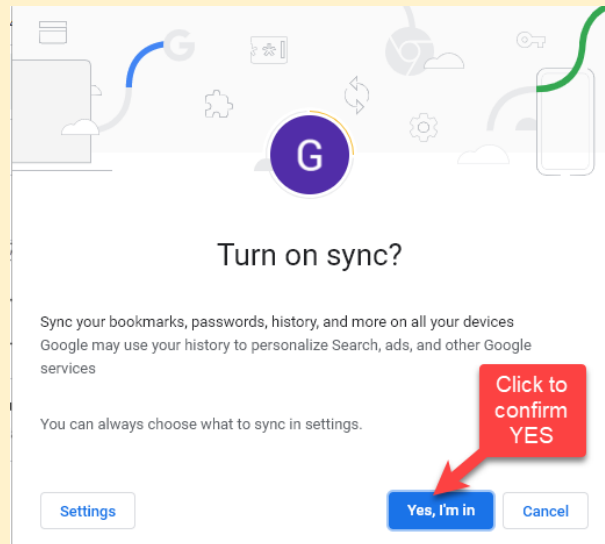

3.

Click the Link Data Button

4.

Click "Yes, I'm in" to confirm you want to turn on sync

5.

Click your profile picture again and verify that Sync is turned on.

Once Sync is on Chrome can save your passwords AND all of your bookmarks will follow you to any computer as long as you are logged into your fcpschools.net account.
